**EXPANDED HOURS FOR THE LYSANDER CLERK'S OFFICE**

**New Town Clerk's Latest Move to Be More User Friendly**

Lysander Town Clerk Lisa Dell announced today that effective September 13, 2010, her office will expand hours until 6:00 p.m. on Mondays only.

"I would like to give those who can not come to the Town Hall during regular business hours, 9:00 am to 4:30 pm, the opportunity to obtain services offered by my office. The Town Clerk's office issues marriage licenses, dog, hunting and fishing licenses, processes passport applications, and offers notary services along with a variety of other services. No appointment is necessary and I also offer my availability to make an appointment for these services after business hours."

The expanded hours will not be offered on any Mondays that fall on a holiday.
