

# Adult Basketball Game Procedure

1. The **First 8** Players on each court play one (1) game.
2. The **Winners** of each of the 1<sup>st</sup> games, stay on for the **2<sup>nd</sup> game**. No team shall play more than 2 consecutive games (when there are players waiting) **Use the 2 on - 2 off procedure**. Scores after the 1<sup>st</sup> game are insignificant as far as who plays next.
3. The Challenging team for the 2<sup>nd</sup> game on each court is made up of the next four (4) players “in waiting”. **You are not allowed to go from one court to the other in order to play unless they are in need of players.**
4. For each game thereafter, the challenging team shall consist of 4 players who have sat out at least 1 game. Players in waiting who have not played 1 game have automatic berths on the challenging team. The remaining spots will be filled by a shoot-off (free throws).
5. Players who shoot-off sit out at least 2 games – have preference over players who have only been out 1 games.

There is to be **NO swearing or fighting** or you will be asked to leave. Everyone in attendance is to play fair and by the rules. If you have a problem, you need to call the Park office the following day @ 635-5999. **Do NOT harass the Staff – they are only doing their job. And they are NOT THERE TO REF!!!**

**Remember you all are Adults – and need to act in an Adult Manner!**
