John,
Did the Board discuss anything further about using money from this budget year to buy a trailer.
I have enough money in my park equipment account 7110-2 to get it this year and still have money left over ...

Thanks,

Mr. John Salisbury,

We spoke with you at the board meeting last night in regards to the speeding on my street due to the increased traffic from the new Lysander preserve development. You mentioned it would be difficult to post a speed limit sign because we are on a town road. However you said that you could put a sign up for a special needs child because of our son. We are willing to do what is required to do so. Hopefully that would slow down some of the traffic. Please let us know how to proceed from here.

Thank you,
Brandon and Erica Munson

This should go on the work session and be a resolution. "to have the dead tree(s) removed from Jacksonville Cemetery at a cost not to exceed (\$1,200 or \$1,500 or \$2,000). The Email from John Horner should become an attachment to the work session with the pictures.

Town Supervisor, Town Councilors, Jacksonville Trustees and friends of Jacksonville Cemetery,

We have an urgent matter that needs to be addressed.

A dead tree in the cemetery is worse than I thought and may need to be removed sooner rather than later. The tree sits on the south side, in one of the oldest sections of the cemetery. A limb has already fallen out of this tree and taken a monument's top with it.

Jacksonville Cemetery does not have the equipment nor the means to remove this tree. So I'm addressing The Town of Lysander in hopes that with the contracts that the town has for tree removal, this tree can be added to the list, as it is a public hazard and could destroy valuable history in the town of Lysander.

Attached are photos of the aforementioned tree.

The Town of Lysander's cooperation in this matter is most appreciated.

Thank you,
John Horner, President
Jacksonville Rural Cemetery
