Please find the request from Cato-Meridian for a new sign installation. Although there is over 300ft of sight distance it could be a problem for speeders to safely stop. Please resolve to authorize or reject this installation.

Supervisor John Salisbury and Lysander Town Board,

My name is Linda Scott and I am head of transportation at Cato-Meridian CSD. I am requesting a school bus stop ahead sign for 401 Swamp Rd for traffic heading west. My bus #27 needs to make a stop at that location and the traffic heading west cannot see her stopped over the hill, it is very unsafe without notifying traffic. Please look into this and place the sign as soon as possible.

Thank you,
Linda Scott
