**Both
indoor AND
outdoor cats
need a rabies
shot!**

*Please keep your pets on a leash or
in a carrier and keep them close to you.
Bring your pet's past rabies shot records.*

A voluntary donation per family is appreciated.

**Questions? Please call
Animal Disease Prevention
or visit www.ongov.net/health/ADP.html**

435-3165

New York State Public Health Law requires that all puppies and kittens get their first rabies shot at three months of age. They also need to get a booster shot at one year old and then again every three years. Ferrets must get a shot every year.
