PATRIOTIC WREATH CLASS

Show your pride with this beautiful Patriotic Wreath custom made by you. You will be so pleased with the way this wreath looks that you'll want to make it for your friends too! The fee for this class does not include any of the supplies however you will be able to purchase the red poly mesh at the class at a reduced price. You are responsible for purchasing your own supplies* and bringing them to the class. This allows you to take advantage of the local sales and coupons. If you have your own tools (wire cutters, scissors, a ruler, hot glue gun and glue sticks) please bring them, otherwise we will share what we have.

HERE'S WHAT YOU NEED:

1 Panacea Box Wire Wreath frame 18 or 24 inches.

1 Blue and 1 White Floracraft or other brand 21" x 10 yds. Poly Mesh Ribbon. You will only use half of these, so if you are taking the class with a friend you can split these. We have the Red available which can be purchased the night of the class for \$5.

A variety (two to four different patterns) of decorative ribbons 2 to 4 inches wide, approximately 30 yards all together. These can also be shared with a friend if you are using four different patterns you will use approximately half of the spool.

1 pkg of 12" Chenille Stems to color match the above ribbons.

Glue sticks even if you don't have a glue gun.

THE FUN STUFF: Choose a variety of ornaments such as stars, flags, streamer fans or curly stems to decorate your wreath and make this your unique design. These look better if you visualize an odd number of clusters of decorations around your wreath with one focal point and a couple of randomly placed decorations to fill in and balance the look.
