SUBJECT: 2018 Summer Concert Series

The 2017 Summer Concert Series is water under the bridge, pun intended! It's time to look forward to the 2018 Concert Series Program.

Here is a brief history of how the concerts started and how they have progressed to this point! In 1993, the Towns of Lysander and Van Buren meet with the Baldwinsville Library and a partnership formed. In 1996 we expanded this partnership to include local businesses and individuals. Because of the wide range of supporters we were able to increase the number of concerts and expand on the variety of musical offerings to make these concerts enjoyable for all ages. This past summer we offered 6 *free* Tuesday Night concerts at the Baldwinsville Amphitheatre on Paper Mill Island. The weather has been decidedly un-cooperative, however with the support of the Suds Factory we have not had to cancel any of the concerts and they have been enjoyed by many of the local residents and a few who have travelled from outside the area! We hope you were able to join us for the concerts and that you enjoyed the music! If you weren't, we hope that you will join us next year on Tuesday evenings for music on the Island!

We would like to continue to offer the same high quality performances next year and are writing in hopes that you will be able to assist us in this endeavor. The following is how you would be recognized for your donation:

- \* Donations of \$250 or more will have their logo's printed in our distributions and on a banner at the entrance to the Island.
- \* Your name would appear on over 250 concert fans distributed to those attending the concerts.
- \* You would be listed in our annual Letter to the Editor to the Baldwinsville Messenger, as well as any fliers and posters distribute by the partnership.
- \* You will be named in the Lysander Parks & Recreation Summer Brochure.
- \* You will also be recognized on each of the Towns, the Village and The Library's websites as well.

Included with this letter is a donation form, please use this to let us know how you would like your name or your business to be recognized. If you have donated in the past, we thank you and hope that you will consider continuing your support of these wonderful outdoor concerts. If you have not partnered with us in the past we hope you will consider doing so this year!

*Together we can keep the music flowing!*
