Subject: Request for Sewer District Inclusion

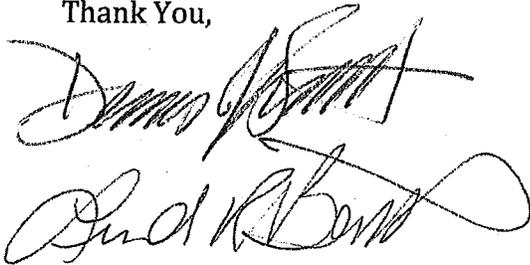

To whom it may concern:

Please find enclosed with this letter a copy of the Deed & Survey for 2883 Cold Springs Road, Baldwinsville located in the Town of Lysander. We would like to formally request that this property be included as an extension to the Springwood Sewer District.

The newly installed sewer access (manhole) was installed in the fall of 2014 on our property as part of the Town's right of way. We would like to use this access point to connect to the existing Springwood Sewer District.

Please advise if any further information is needed for your consideration.

Thank You,

Two handwritten signatures in black ink. The top signature is more stylized and appears to be 'Dennis Bartlett'. The bottom signature is more cursive and appears to be 'Linda Bartlett'.
