RE: OCWA Project No. 9004073  
Install 3 Hydrants  
Copper River, Phase 2  
Town of Lysander

Dear Mr. Wicks:

Enclosed please find Map File No. 1699 sheet 5, showing the following proposed hydrants in the existing Cold Springs Water Supply District for your review.

1. Hydrant #14704 – Stoney Pond Lane -- ~300' west of Dillingham Way, between Lots 84 & 85
2. Hydrant #14706 – Stoney Pone Lane -- ~270 west of Dillingham Way, between Lots 86 & 87

If the above hydrants meet with your approval, we request that the Town Board duly approve them. Sign and insert date on the enclosed three (3) Applications for Fire Hydrants. Return two (2) copies to our office and retain one copy for your files.

The Developer will pay for the hydrant installations in conjunction with the 8" Water Main Extension. The Town will be notified when the hydrants are in service, and then will be billed the annual hydrant maintenance rate, which is currently \$74.50 per hydrant per annum.

Thank you for your attention to this matter.

Very truly yours,  
OCWA

Patrick Sherlock, P.E.  
Engineering Manager
