June 2021

Director's Note: Guidance from the CDC and New York State continues to change. We are making every effort to move forward with caution. The current Village of Baldwinsville policy is:

Fully Vaccinated persons are not required to wear a mask or physically distance while inside of a Village of Baldwinsville owned building (Canton Woods Senior Center).

You Must provide proof of fully vaccinated status (**original vaccination card or New York State Excellus passport**).

Fully Vaccinated means 14 days after the second dose of a two-dose vaccine or 14 days after one dose of the Johnson and Johnson single dose vaccine.

If you are not fully vaccinated, you must wear a mask while inside of a Village of Baldwinsville Building (Canton Woods Senior Center).

These important safety guidelines remain in place.

- **FOR UNVACCINATED PARTICIPANTS, A MASKS MUST BE WORN AT ALL TIMES! and you need to Adhere to Social Distancing.**
- **As you enter the center**
- You may be asked COVID health screening questions and have your temperature taken.
- There is a participation waiver that needs to be signed.
- You **MUST** sign up in advance to attend a program at the center. The number of people in the building at any given time will be limited.
- Programs will have a start time and end time. Do not arrive more than 15 minutes prior to the start time. You will not be permitted to stay and congregate when your program has ended.
- No food is permitted in the building and the center will not be providing any food.
- The center will not provide any drinks. You may bring your own individual drink that is not to be shared.
- Hand washing is encouraged, and sanitizer is available and recommended when you cannot wash your hands.

- Always consider your individual circumstances when deciding if you should participate in programs at the center.

IF YOU CANNOT FOLLOW THESE GUIDELINES, WE ASK THAT YOU NOT ATTEND PROGRAMS AT THE CENTER AT THIS TIME!

Canton Woods operates under a three way municipal agreement between the towns of Lysander and Van Buren, and the Village of Baldwinsville.

As the center continues to expand programs, we will begin to collect the non- resident user fee. The user fee for participants who live outside the towns of Lysander and Van Buren remains \$25.00. Expect this to begin soon.

New in June Open recreation programs! All for fun, no tournaments. Each activity requires sign up in advance and will be limited in number of participants. Due to the close contact required to play card games, you must be fully vaccinated to participate in card games. As outlined above you must bring proof of vaccination.

We are offering bridge, pitch, and poker as open card games. You may sign up with a partner for pitch or bridge, but this is not required. For all card games, once the tables are established you will remain at the same table for the entire time.

To play pool bring your own cue stick. Unvaccinated people may participate but must wear a mask at all times, and social distance when not shooting. You must sign up in advance.

We ask your cooperation and patience as we work to bring you back to the center safely.

Happy Father's Day!

Ruth

Worker There is a light at the end of the tunnel! It is good to see you coming in for activities, as limited as they may be. We are adding things on as the restrictions permit.

Several of you have called asking about the Farmers Market Coupon program so I reached out to my contact at the Office of the Aging, and she tells me she is hopeful that we can have them to those who are interested by mid- July. This may be a little later than usual but Covid has slowed everything down, as I am sure you have noticed. You may call starting June 28, to sign up **to be notified** of when the Farmers Market Coupons will be available.

Some of you have also been wondering when we might be having the AARP defensive driving classes again. I have heard through the grapevine that they may start up again in the fall, but I have not gotten anything official as of yet so keep your fingers crossed.

B'ville Express

The *B'ville Express* remains closed due to COVID-19. If you need transportation, we encourage you to register for the OSCAR program, a free senior ride program provided by CENTRO. To register for OSCAR, or if you need to reserve a ride, call the OSCAR program at 315-442-3434. If you are having any type of procedure, please call the B'ville Express as I do have access to a free ride program for procedures only.

B'ville Express Drivers, I would love to hear from you. I am beginning to plan for eventual reopening of B'ville Express! I hope you are all doing well. I will be communicating with drivers very soon! **Gina B'ville Express, Transportation Coordinator**
