Dear Residents,

Please know that during this difficult time when we are all dealing with the COVID-19 pandemic, I am thinking of everyone and hope that everyone is safe and healthy. I want to let you know that even though the Town of Lysander Offices are closed until further notice, I have been processing the mail, and checking voice mail and email messages.

If you would like to renew a dog license, the best way to do so is online at www.townoflysander.org. If the rabies are expired, please mail in your renewal with a check and a copy of the rabies certificate.

The Town of Lysander also has a form available on the website if you need to order a Marriage Certificate (Transcript of Marriage). (*Provided you obtained your license in the Town of Lysander.*) You can also contact the NYS Department of Health for a copy of your Marriage Certificate:

https://www.health.ny.gov/vital_records/marriage.htm

As of now, my office will not be processing marriage licenses, fishing licenses, or passports. Walmart is able to process fishing licenses, and they can also be done online through this DEC site:

<https://www.takemefishing.org/new-york/fishing-license/>

If you have any other questions, please send me an email and I will try and get back to you as soon as I can: townclerk@townoflysander.org

Sincerely,

Dina Falcone, Town Clerk
