

CNY Stormwater Coalition Survey

The Town of Lysander believes that everyone has a role in keeping our surface waters clean and healthy. As a member of the CNY Stormwater Coalition, we are committed to providing information that supports water protection through informed personal choices. To be effective, we need to hear from you. Please take a few minutes to complete a simple online survey. Your responses will help us deliver useful and interesting information in a format that meets your lifestyle and addresses your interests. The survey takes approximately 5 minutes to complete but will help shape the CNY Stormwater Coalition's education program for years to come. Thank you in advance for participating in the survey.

To participate, go to WWW.CNYRPDB.org/Stormwater and click on SURVEY in the blue box.
