RE: OCWA Project No. 4210088 / 9004071
Timber Banks Section 3 Phase 5&6
Town of Lysander

Dear Mr. Wicks:

Enclosed please find Map File No. 1774_15, showing the following proposed hydrants in the existing Cold Springs WSD O505, for your review.

1. Hydrant #14701 - 500' East of Tall Tree Lane, between lots 368 and 369
2. Hydrant #14702 - 550' North of Forest Ridge Lane, Between lots 401 and 402
3. Hydrant #14703 - 170' North of Forest Ridge Lane, Between lots 377 and 398

If the above hydrants meet with your approval, we request that the Town Board duly approve them. Sign and insert date on the enclosed three (3) Applications for Fire Hydrants. Return two (2) copies to our office and retain one copy for your files.

The Developer, Timberbanks, will pay for the hydrant installations in conjunction with the 12" & 8" Water Main Extension. The Town will be notified when the hydrants are in service, and then will be billed the annual hydrant maintenance rate, which is currently \$74.50 per hydrant per annum.

Thank you for your attention to this matter.

Very truly yours,
OCWA

Patrick Sherlock, P.E.
Engineering Manager
