Regional Director

November 3, 2021

Mr. Robert A. Wicks  
Town of Lysander Supervisor  
8220 Loop Road  
Baldwinsville, NY 13027

Dear Mr. Wicks:

RE: Locally Administered Federal Aid Project  
PIN 375647 - D036180  
Willett Parkway Culvert Repair  
Town of Lysander, Onondaga County

The Department has reviewed the bid package and low bidder information provided by the Town of Lysander for the referenced project and has found them to be in compliance with our guidelines. The Town may now award the contract to Vector Construction Corp. providing the contractor follows through with the Office of Civil Rights requirements that they continue to recruit MBEs to meet the 9% MBE goal and that they submit a Good Faith Effort for approval when the project is 70% complete.

Please contact Doug Mills, P.E. at (315) 428-4410 with any questions you may have.

Very truly yours,

David N. Roth  
Acting Director, Planning and Program Management Group
