

Amendment to Local Law No. 2 of 2016

In accordance with the Letter of Map Revision (LOMR), FEMA Case Number 18-02-0720P, the Flood Insurance Rate Map (FIRM) for map panel number 36067C0066F has been revised. Because this is a physical change to the municipality's Flood Insurance Rate Map, it is necessary for the Town to formally adopt this LOMR before it can issue permits based on the information on the LOMR.

Currently, Local Law #2 of 2016 is the local law for floodplain protection. NYSDEC is recommending the Town of Lysander amend its existing law to include the LOMR in Section 3.2 as follows:
