Re: OCWA Project No. 9004043-UPDATED
Install Hydrant River Grove, Phase 2
Town of Lysander

Dear Mr. Wicks:

Enclosed please find Map File No. 1761, sheet 1 showing proposed hydrant #13699 in the existing O515 Radisson Water Supply District for your review.

If the above hydrant meets with your approval, we request that the Town Board duly approve it. Sign and insert date on the enclosed three (3) Applications for Fire Hydrants. Return two (2) copies to our office and retain one (1) copy for your files.

The Developer, Eldan Homes, will pay for the hydrant installation in conjunction with the 8" Water Main Extension. The Town will be notified when the hydrant is in service, and they will be billed the annual hydrant maintenance rate, which is currently \$76.74 per hydrant per annum.

OCWA will install this hydrant at no charge to the Town upon receipt of Application for Fire Hydrants. The Town will be notified when the hydrant is placed in service, and the above Water District will be billed the annual hydrant maintenance rate, which is currently \$76.74 per hydrant per annum.

Thank you for your attention to this matter.

Very truly yours,

OCWA
