**Director's Note** *Canton Woods returned to normal operations.* The center is open from 8:00am – 4:00pm, Monday -Friday. We are offering a full schedule of programs and activities! We want to continue to bring folks together at the senior center safely. We need your cooperation to do this.

### PLEASE NOTE

When you visit the center for the first time you need to sign a waiver and you need to show Proof of Vaccination.

**CDC recommends all Onondaga County residents - vaccinated and unvaccinated - should wear masks indoors.**

**Based on the CDC recommendations for Onondaga County**

**The Village of Baldwinsville is requiring face masks be worn by everyone inside this building, Canton Woods Senior Center.**

**Un-Vaccinated persons or persons who decline to show proof of vaccination:** must also socially distance, they may not participate in activities where social distance cannot be maintained.

Thank you for your cooperation.

Time to start thinking about your annual flu shot.

**Flu Shot Clinic at Canton Woods, sponsored by Rite Aid.** Friday, September 17<sup>th</sup> at 9:00am. Please bring your insurance information and if this is your first time back to Canton Woods, please bring your Covid Vaccine proof. Masks are required. We are planning this to be an inside clinic.

**Assistant Director:** Thank you to all our game players for wearing masks while at the center. Wearing a mask is just another safety tool to keep us all safe. Speaking of our games, I want to remind everyone that it is important to remember that not all the players are able to play the games as fast as others can. On the other hand, it is important to keep the games rolling. No one likes to wait for an extended time for the next table to be ready to play. I know it is a balancing act, however all the players will be happier if the games can move along without long rest periods. Thanks for your cooperation! Now is the time to start playing a game you used to play, so if you used to play pitch, or pinochle, maybe Wii bowling or Party Bridge, please sign up now. All our games are for players who need very little assistance to manipulate the game, i.e., independently moving to each table, shuffling, dealing etc. Please come and have fun, if you need a refresher, we can work that out too! Stay safe and have fun.

*Joanie*

If you still need your Covid vaccine and need a ride, the county has assistance available, just call and I can arrange that for you.

On a final note, I sometimes hear about furniture that is available just for picking it up. If you are in need let me know and I will keep my ears open for you. ## September 2021 Library News

For your reading pleasure, I wanted you to know what our current Collection Policies are for the Library. These policies are based on the limited size of our library space. Please contact me at the Center if you have any questions. Happy Reading!!

Collection Policies for Canton Woods:

We collect hardcover, fiction books.

We collect single copies of books (no duplicates)

We collect books with a copyright date of 2010 forward (this date moves forward when we weed the collection about every 2 years)

We collect hard cover biographies, Westerns, and large print books.

We collect audio books (CD's)

## Crafty Corner

YARN CREW meets on Tuesdays at 10:00am.

If you would like to be a remote member of the YARN CREW, please contact the center. We will supply you with yarn and supplies, you can use your own pattern, or we can give you one.

## Something new!

If you like to be adventurous and try new things this program is for you! Edwina Hay, presently the facilitator of the Book Club and the Yarn Crew Volunteer Group, is willing to teach crafts to those interested.

Some crafts will be just one night, and you can take home what you made, for example Wreath Making. Other classes will be multiple nights, for example when caning chairs is taught. Hopefully each month or so a different craft will be taught. Samples of finished crafts will be on display near the front desk, along with a list of supplies you will need to get. Every attempt will be made to keep the prices of materials under

\$10.00. The length of the classes will vary, after regular Canton Woods hours. Flyers explaining each craft will be available at CW's front desk. First project is a Clothespin Fall Wreath. First class is Tuesday, September 14<sup>th</sup> from 4:00-5:30. Call the center to sign up. Please be prompt and plan to have fun!

## Book Club News

The Personal Librarian by Marie Benedict and Victoria Christopher Murray.

Belle de Costa Greene is hired by J.P.Morgan to curate a collection of rare manuscripts, books, and artwork for his newly built Pierpont Morgan Library. Belle becomes a fixture in New York City society and one of the most powerful people in the art and book world for her impeccable taste and shrewd negotiating for critical works as she helps create a world-class collection.

Belle denied her true identity in order to protect herself and her family from racial persecution speaks not only to her time but also to ours.

We all were very intrigued with the story; the historical knowledge was amazing. We discussed how the authors did a fantastic job. The authors' notes at the end of the book were very interesting.

Out next meeting is September 21st at 2pm. We will be discussing The Elephant Whisper by Lawrence Anthony.

HOPE YOU ALL WILL JOIN US AND NEW MEMBERS ARE ALWAYS WELCOME!

**PAC -B TV** is seeking a person to film events in Baldwinsville. The events air on the local cable access channels. No experience or equipment necessary. Contact Cindy Clarke.

Canton Woods operates under a three-way municipal agreement between the towns of Lysander and Van Buren, and the Village of Baldwinsville.
